Hi Steven,

I don't believe I have seen anything in my in-box that reduces to writing what you have found out about our OD's FMFIA concerns. As soon as we get that from you, we will reschedule our meeting with Denise. Also, please let us know if we should add the FMFIA legal expert to this meeting, and if so, what his/her name is.

Thanks.

Hi,

Sorry about the delay in responding. Ex. 6 - Personal Privacy and neglected to do the email out-of-office greeting (and webmail.epa.gov was not letting me in yesterday morning). I see that the Denise meeting has been cancelled. I would say that I'm ready to go, but admit that I haven't gotten it reduced to writing yet. Assuming that Denise's timing is not urgent, it sounds like it makes sense to postpone. I will still plan on getting you all the paper (for review and comment) from which I would be speaking by the end of the day today.

Thanks,

Steve

Actually we are already on the calendar with Denise for 3/20.

If possible please let us know today what the timing on OGC input will be, so we know whether we can have a meaningful discussion with Denise on tuesday or not.

Steve,

I'm just following up with you to see where OGC is on this now. We need to get on our OD's calendar.

Thanks.

Don

Don,

I do think OGC will need a few more days (beyond Thursday) to nail down the issues about how financial management obligations for federal managers should affect policy decision-making (with reference to accepting legal risks).

Thanks,

Steve
